TEEN LEADERSHIP INSTITUTE

GRADES 7-12

This two-day program consists of leadership training, tours of community organizations, and presentations from community leaders.
Students meet monthly to refine leadership skills and plan youth service events. Students learn how to manage fundraising and social media campaigns. Fundraising is a powerful way for students to make an impact in their communities while learning how to advocate for social change.
A food drive is a powerful way to make a direct impact on the fight against hunger. Individuals, families or groups join together to collect food and grocery products, to donate to the CFBNJ.

Food drives are available for all grade levels.
