Become an Impact Partner by Supporting These Hunger-Fighting Programs

Food Service Training Academy—Our free, 14-week culinary and life skills program teaches students about communication, nutrition, and healthy cooking, providing them with hands-on experience and job placement.

Kids Cafes—Children receive nutrition education and nourishing after-school meals every day so they don't go to sleep on empty stomachs. Dinners are prepared in CFBNJ's kitchen with the help of volunteers.

Summer Food—To bridge the summer nutrition gap for kids who receive free or reduced-price school meals, we serve breakfast and lunch to kids in need at sites across the state. Meals are prepared in CFBNJ's kitchen with the help of volunteers.

Family Packs—Our volunteers pack bags of supplemental food to help sustain more than 1,800 households through the weekend, when kids miss school meals.

Senior Boxes—Monthly boxes of supplemental food are packed by our volunteers and then distributed to seniors in need who live on fixed incomes.

Diabetes Boxes—Food boxes with items that meet specific nutrition requirements for our Food, Health and Hope Diabetes Initiative and other programs that support our focus on Hunger as a Health Issue are packed by our volunteers.

Emergency Relief—As a front-line responder during emergencies, CFBNJ pivots its operations to continue providing food to struggling neighbors during crises, like the COVID-19 pandemic and Hurricane Ida. Emergency Meal Kits, large-scale distributions, grab-and-go food, and pre-made frozen meals provide vital assistance to those in need.

“What an honor it is to give back and help those who are less fortunate.”
- Charles, CFBNJ Corporate Volunteer
