Last year, CFBNJ provided nutritious food for over 90 million meals through its network of more than 800 community partners, including food pantries, soup kitchens, shelters, child and senior nutrition programs, and more, serving 11 New Jersey counties directly and four in partnership with affiliate food banks. It also addresses the root causes of food insecurity with supportive services like nutrition education, job training, SNAP outreach, and hygiene product distribution. By delivering neighbor-centered solutions and collaborating with all sectors of society, CFBNJ believes that food insecurity is a solvable problem.
