CORPORATE IMPACT PARTNERS

We distributed 90 million nutritious meals last year with the generous support of our Corporate Impact Partners.

Become an Impact Partner by Supporting These Hunger-Fighting Programs

Workforce Development Programs —Our free, 14-week Food Service Training Academy and 8-week Warehouse Logistics Training Academy teach students life skills and technical culinary and inventory/operations skills, respectively, providing them with hands-on experience and job placement.

Kids Cafes - Children receive nutrition education and nourishing after-school meals every day so they don't go to sleep on empty stomachs. Dinners are prepared in CFBNJ's kitchen with the help of volunteers.

Summer Food - To bridge the summer nutrition gap for kids who receive free or reduced-price school meals, we serve breakfast and lunch to kids in need at sites across the state. Meals are prepared in CFBNJ's kitchen with the help of volunteers.

Family Packs - Our volunteers pack bags of supplemental food to help sustain households through the weekend, when kids miss school meals.

Senior Boxes - Monthly boxes of supplemental food are packed by our volunteers and then distributed to seniors in need who live on fixed incomes.

Diabetes Boxes - Food boxes with items that meet specific nutrition requirements for our Food, Health and Hope Diabetes Initiative and other programs that support our focus on Hunger as a Health Issue are packed by our volunteers.

Emergency Relief - As a front-line responder during emergencies, CFBNJ pivots its operations to continue providing food to struggling neighbors during crises, like the COVID-19 pandemic and natural disasters. Emergency Meal Kits, large-scale distributions, grab-and-go food, and pre-made frozen meals provide vital assistance to those in need.

“What an honor it is to give back and help those who are less fortunate.”
- Charles, CFBNJ Corporate Volunteer
